EXPLANATORY NOTES

General Disclaimers :

It is hereby confirmed that the performance data contained herein does not constitute advice from the Alexforbes Group and is for information purposes only.

Whilst every effort has been made to ensure that the information contained herein is current, fair and accurate, this cannot be guaranteed.

Any decision taken by a third party with regard to this information lies within the discretion of that third party. Alexforbes Group is hereby indemnified from and against all and any loss, damage, costs and expenses which may be sustained or incurred directly or indirectly as a result of any investment decision taken by any third party.

The use of this information by any third party shall be entirely at the third party’s discretion. The information is protected by applicable intellectual property laws and cannot be copied, distributed or modified for commercial purposes.

Performance figures are shown gross of fees and taxes. Past history is not necessarily a guide to future performance.

Quantitative figures are calculated on 3 year performance returns.

Performance should not be judged over a short period of time.

FAIS Notice and Disclaimer: This information is not advice as defined and contemplated in the Financial Advisory and Intermediary Services Act, 37 of 2002, as amended. Alexforbes shall not be liable for any actions taken by any person based on the correctness of this information.

General :

BEE (“Black Economic Empowerment”) is an initiative of the South African Government to promote the achievement of the constitutional right to equality, increase broad-based and effective participation of black people in the economy and promote a higher growth rate, increased employment and more equitable income distribution.

“Black people” is the generic term which means Africans, Coloureds and Indians.

GIPS™ is a trademark owned by the CFA Institute.

Performance Statistics:

Reasonable use of the survey may be made for purposes of comment and study provided that full acknowledgement is made to "Alexforbes".

The rankings and statistical information have been supplied for illustrative purposes only.

Performance figures are shown gross of fees.

Performance should not be judged over a short period of time.

Past performance is not necessarily a guide to future performance.

Median Compounded : The longer term median returns reflected are calculated by compounding the monthly median returns over the various periods.

While all possible care is taken in the compilation of the survey, reliance is placed on information received from investment managers.

Statistical Definitions :

The Median is the value above or below which half the managers fall.

The Upper Quartile is the value above which one quarter of the managers fall.

The Lower Quartile is the value below which one quarter of the managers fall.
